Dear Michael,

On behalf of my fellow Greyshirt volunteers, thank you for contributing \$67.78 to Team Rubicon’s mission.

Our ability to serve communities in need depends on leaders like you—our teammates in service—willing to step into the arena with us. We cannot thank you enough.

Your generosity empowers our veteran-led volunteers to reach the most vulnerable when it matters most. Gifts like yours supply shovels to dig homes out of mud after a flood, purchase medical equipment to treat hurricane survivors, mobilize Greyshirts across the country to help homeowners devastated by wildfire, and much more.

We will continue to be there before, during, and after disasters and crises; near and far. We will continue to leave behind hope in the hearts of the people we are serving.

Thank you for joining our team and furthering our mission.

Mission First,

Jim Brooks
Greyshirt & CEO
